PRESS RELEASE

GDC Paloura organized a lecture under the banner of Career Counseling Cell on the topic “Career Counseling, options and Role of Institutions”. This was the second Lecture of the series and Prof. Madhu Gupta was the resource person on the occasion.

In her inaugural address Principal of the College Prof. (Dr.) Hemla Aggarwal highlighted the importance of Career Counseling in today’s competitive world. According to her the role of Career Counseling at this level can play a very important role for the students in deciding their options which they can under take as Career soon after their Graduation.

The Resource Person Prof. Madhu Gupta deliberated on the topic at length according to her choosing a right Career is the most vital decision in every body’s life and Career Assessment can help individual to identify and articulate better their unique interest, values and skills. She also emphasized that Institutions should have cooperative Programmes for the welfare of the students. This was followed by a vibrant Interaction with the resource Person.

Prof. B.B. Anand, Presented vote of thanks and conducted the proceeding.
